COMPANY
Sample Company

DATE OF THE REPORT
October 30, 2026

PARTICIPANTS SURVEYED: 6

1. Ana López
2. Bruno Díaz
3. Carla Méndez
4. Diego Ruiz
5. Eva Soto
6. Fernando Gil

Survey design: distance survey of top management

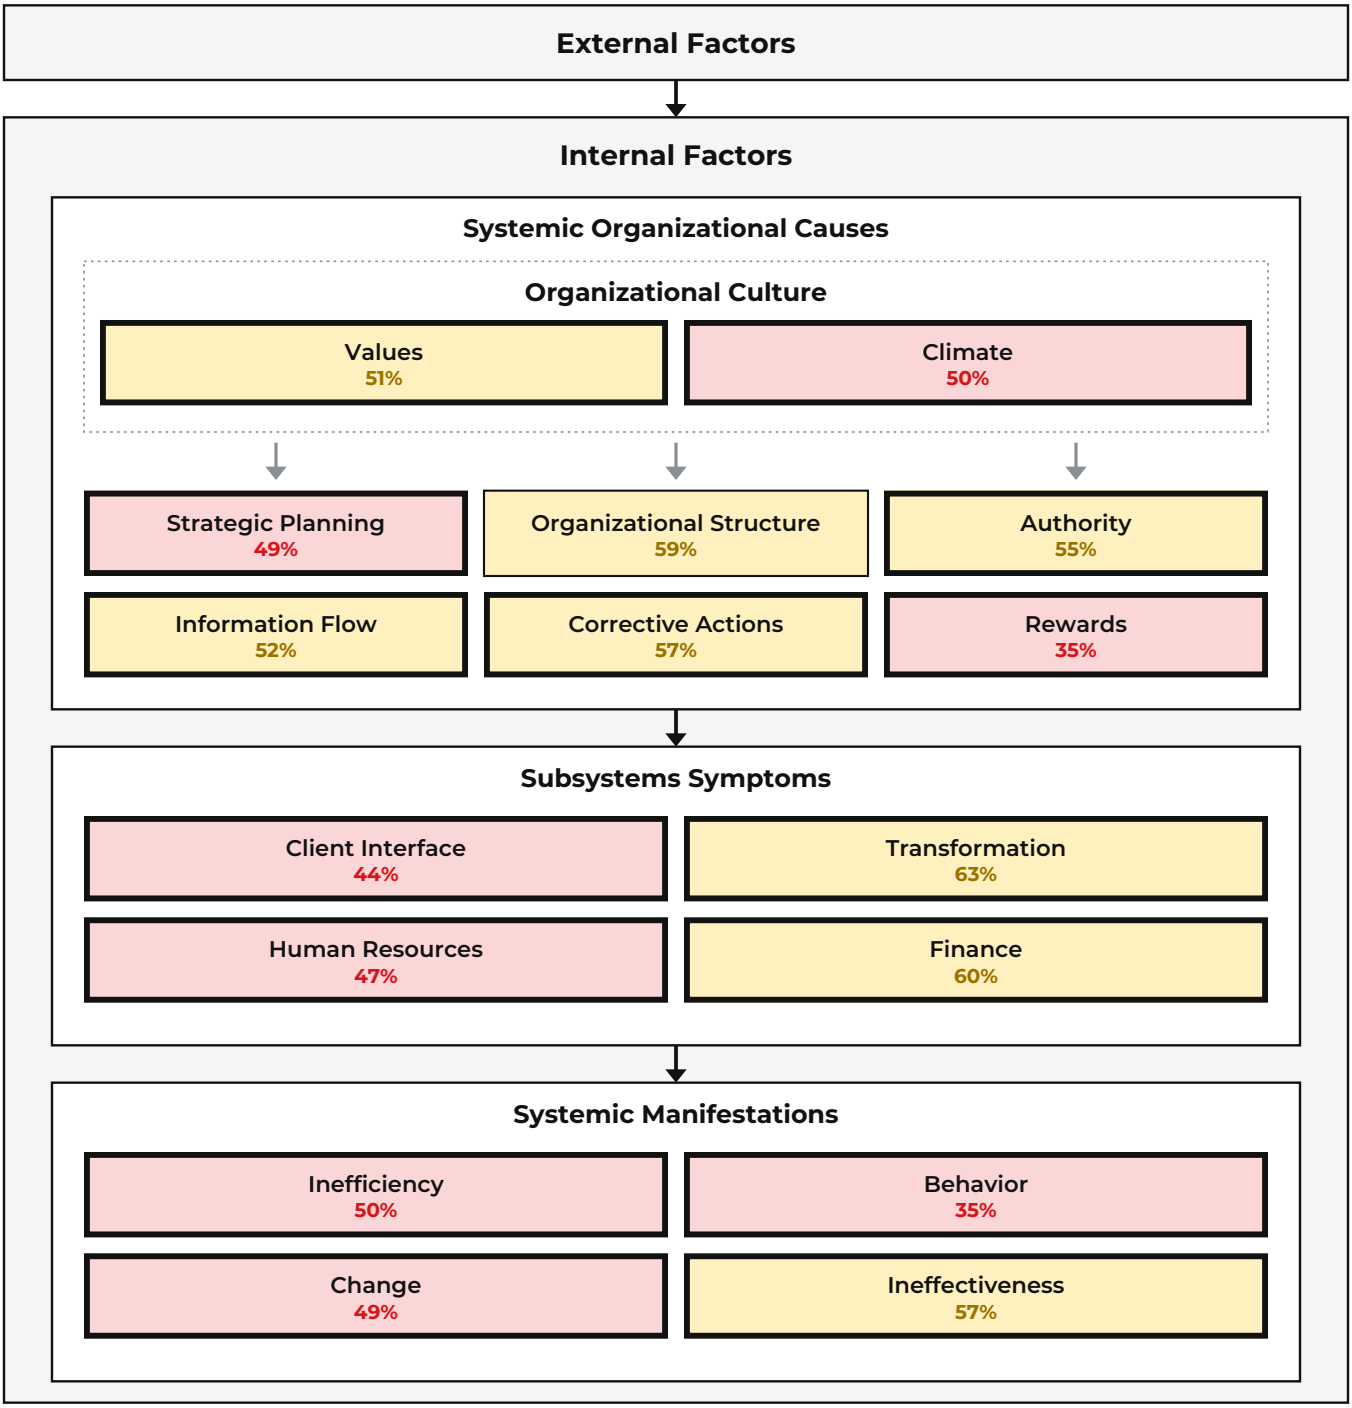

At a glance

8	Key focus zone
8	Needs improvement
0	Healthy

How to read this report

Each of the 16 factors is rated from the participants' answers on a 4-point scale ("I cannot answer" is not counted as an answer and lowers the factor's score). The causal map shows where problems originate, the radar charts compare the company with a normal and an abnormal situation, and the last section lists every statement with its rating.

Causal factors of systemic organizational problems

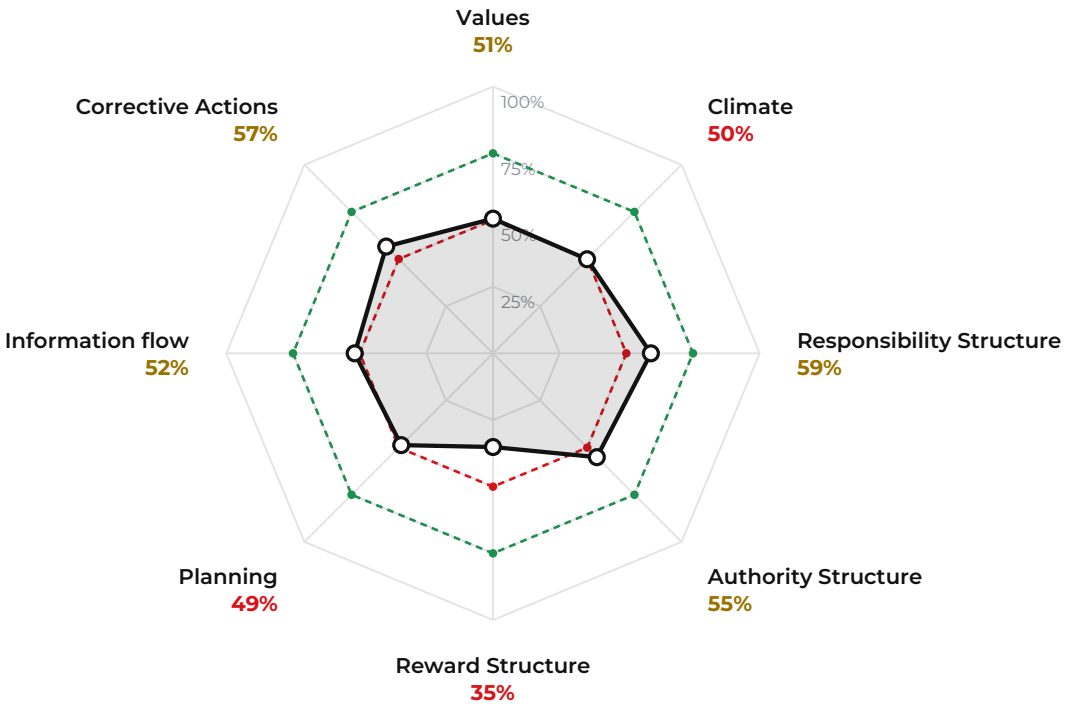

Colour decoding

- The process is healthy
- There are some areas for improvement
- Key focus zone

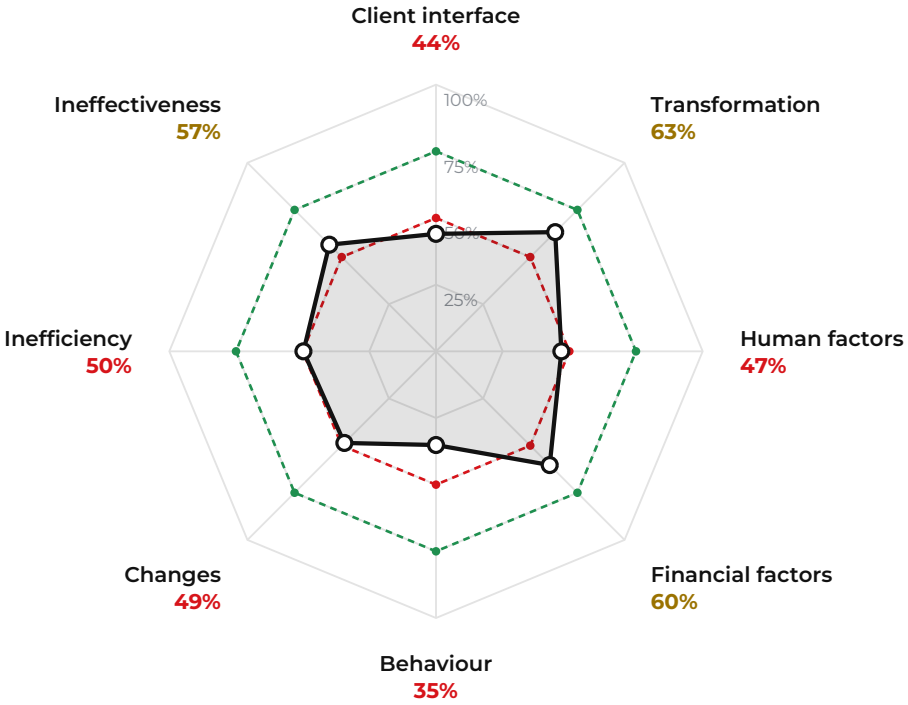

Type of frame · Depending on how much the participants' opinions vary, a different frame is displayed

- Dotted frame — participants' opinions largely coincide
- Thin frame — noticeable divergence of opinion
- Thick frame — the participants' opinions do not coincide at all

Systemic organizational problems

Operational problems and systemic manifestations (consequences)

Normal situation Abnormal situation The company

Key organizational factors

Each statement is shown in the wording that matches its rating.
