SURVEY
Annual survey 2026

DATE OF THE REPORT
October 30, 2026

RESPONSES
30 of 34 invited

The survey is anonymous. Results are only shown in aggregate, and groups with fewer than 5 answers are never shown on their own.

17%	13%	30%	40%
Fully engaged	Engaged	Somewhat engaged	Disengaged

Fully engaged + Engaged: 30%

Contents

1. Distribution by engagement level
2. Engagement by area
3. Organizational factors
4. What matters most to employees
5. All questions
6. Comments

Distribution by engagement level

Each participant is classified from all their answers and from the questions they marked as most important.

Fully engaged

17%

5 people

- passionate about their work and the organization
- will do whatever it takes to deliver results
- deliver consistent high quality results
- find non-standard and innovative solutions to the toughest problems
- seen as a leader and a role model

Engaged

13%

4 people

- focused on achieving results, projects, individual responsibilities
- deliver good, solid performance
- always do their fair share of work
- work well with others and help others when asked

Somewhat engaged

30%

9 people

- selective about where they put their energy
- spend a lot of time doing things that are not helping clients and/or the organization
- deliver when they have to or when you are watching them
- have a negative influence on others

Disengaged

40%

12 people

- work only when they have to
- would like to be doing something else
- results are not meeting the standards
- have a “we and they” perspective
- are negative about the organization, and in their interactions with clients and colleagues

Fully engaged + Engaged **30%**

Engagement by area

Only areas with 5 or more answers are shown. Smaller areas are combined into “Other areas” when together they reach 5.

	Company	Finance	Operations	Sales	Other areas
Respondents	**30**	6	8	10	6
Fully engaged	**17%**	0%	25%	20%	17%
Engaged	**13%**	17%	13%	10%	17%
Somewhat engaged	**30%**	33%	38%	30%	17%
Disengaged	**40%**	50%	25%	40%	50%
Fully engaged + Engaged	**30%**	**17%**	**38%**	**30%**	**33%**

Organizational factors

Score of each factor from the answers (“Don’t know” not counted), with the same method as the Adizes diagnostic matrix. 75% or more is healthy; under 50% is an anomaly.

Organizational culture	Structure	Process	Organizational functions	Effects
Values 67%	Responsibility Structure 75%	Planning 69%	Client interface 88%	Behaviour 66%
Climate 56%	Authority Structure 33%	Information flow 63%	Transformation 69%	Changes 25%
Styles 47%	Reward Structure 63%		Human factors 66%	Inefficiency 50%
			Supervisor 61%

What matters most to employees

The questions most often marked as “Most important”, and how they were answered.

Always / Absolutely agree · Often / Mostly agree · Sometimes / Mostly disagree · Never / Absolutely disagree · Don’t know

37% most important	30. I understand how the results of my work affect the overall result of the Organization	30 · 30 · 27 · 13
30% most important	17. I believe that I am able to influence both my fixed and variable income to a rather high degree	20 · 30 · 20 · 27
30% most important	31. I have the opportunity to be heard	23 · 27 · 27 · 20
27% most important	24. The tasks that the supervisor sets for me are clear and realistic	20 · 37 · 13 · 30
23% most important	15. I believe that the level of income that I get in the Organization is competitive	17 · 37 · 40
23% most important	18. My benefits package is competitive in the market	13 · 33 · 23 · 23
23% most important	26. I believe that the decisions made by my supervisor are correct and useful to the Organization	13 · 33 · 43
23% most important	40. My work over the past 12 months has allowed me to improve/develop my knowledge, skills and abilities	13 · 37 · 17 · 27
20% most important	9. I clearly understand my work tasks and understand my role in the activities of my department	17 · 40 · 13 · 27
20% most important	14. I have enough authority to be responsible for the results of my work	27 · 20 · 13 · 33

All questions

Distribution of answers (%) and, in red on the right, the share of respondents who marked each question as most important.

Always / Absolutely agree · Often / Mostly agree · Sometimes / Mostly disagree · Never / Absolutely disagree · Don't know

Green is always the most positive answer: for the negative statements 5 and 45 that is "Never" / "Absolutely disagree". Question 50 uses its own scale (significantly improved → significantly deteriorated).

Values

1. Our leaders follow the values declared in the Organization	20 · 40 · 20	3%
2. Our Organization fully fulfils its obligations to employees	13 · 37 · 30 · 17	13%

11. I know who I can go to with questions	23 · 37 · 23	0%

Authority Structure

12. I understand what decisions I have the right to make	27 · 17 · 33 · 17	10%
13. Decision-making on issues that affect me takes place in a timely and predictable way	17 · 23 · 23 · 27	17%
14. I have enough authority to be responsible for the results of my work	27 · 20 · 13 · 33	20%

Reward Structure

15. I believe that the level of income that I get in the Organization is competitive	17 · 37 · 40	23%
16. I understand what the variable part of my income depends on	20 · 37 · 23 · 20	13%
17. I believe that I am able to influence both my fixed and variable income to a rather high degree	20 · 30 · 20 · 27	30%
18. My benefits package is competitive in the market	13 · 33 · 23 · 23	23%

Supervisor

19. I can discuss personal issues with my supervisor	23	37	17	23	3%
20. My supervisor treats me as an individual	27	27	27	17	20%
21. My supervisor encourages my professional development	20	23	40	17	17%
22. My supervisor talks to me about my progress on a regular basis	13	37	20	27	20%
23. My supervisor gives quality and motivating feedback - I always know what he thinks about me and my work	20	27	27	27	17%
24. The tasks that the supervisor sets for me are clear and realistic	20	37	13	30	27%
25. I feel comfortable asking clarifying questions to my supervisor	23	37	17	17	13%
26. I believe that the decisions made by my supervisor are correct and useful to the Organization		13	33	43	23%
27. My supervisor carefully listens to me and takes into account my point of view	27	30	20	23	17%

Planning

28. I know and understand the long-term goals of the Organization	20	40	17	17	20%
29. I am inspired by the goals of our Organization. We are engaged in important and useful work	17	37	20	20	10%
30. I understand how the results of my work affect the overall result of the Organization	30	30	27	13	37%

Information flow

31. I have the opportunity to be heard	23	27	27	20	30%
32. I have enough information about what is happening in the Organization to do my work	20	33	27	20	0%

Client interface

33. I know who the target market is (internal or external customer). I know what needs we can satisfy with what products or services	27	23	23	23	13%
34. We know our market (internal or external customers) well, we monitor trends and needs and we constantly think about how we can serve our market (internal or external customers) better	17	33	20	23	13%

Transformation

35. I have a comfortable working environment	20	33	23	23	10%
36. I have all the necessary technical resources to do my job well	13	50	17	20	20%
37. The work processes which I participate in are systematized and well organized		17	40	43	13%
38. We are committed to improving our work processes and applied technologies	27	23	20	23	13%

Human factors

39. I am satisfied with the quality of the work that other units provide	20	30	30	20	17%
40. My work over the past 12 months has allowed me to improve/develop my knowledge, skills and abilities	13	37	17	27	23%

Human factors

41. I know under what conditions (what to do, what to learn, what to achieve), I can “grow” in the Organization		7%

Behaviour

42. Does your work, within this Organization, satisfy you?		10%
43. I feel valued and appreciated in the Organization		10%
44. The work that I actually do is interesting and enjoyable for me		17%
45. I plan on leaving the Organization within the next year		10%
46. I recommend our Organization to my friends and acquaintances as a good employer		10%
47. I am proud to work in the Organization		17%

Changes

48. Our Organization moves with the times (products, technologies, processes)		10%

Inefficiency

49. I believe that the potential of employees, their skills, knowledge and abilities are effectively used in the Organization		7%

Changes

50. Based on your overall previous answers, do you think the situation in the Organization as a whole has changed over the last year?		20%

Comments

Written by participants, anonymous and word for word.

1. Our leaders follow the values declared in the Organization

> “More regular feedback from my supervisor would help.”

11. I know who I can go to with questions

> “We need better tools for reporting.”

13. Decision-making on issues that affect me takes place in a timely and predictable way

> “Meetings start late and run long.”

23. My supervisor gives quality and motivating feedback - I always know what he thinks about me and my work

> “Recognition is mostly informal.”

25. I feel comfortable asking clarifying questions to my supervisor

> “Great team spirit in our area.”

35. I have a comfortable working environment

> “Priorities change every week.”

37. The work processes which I participate in are systematized and well organized

> “Not clear who decides on budget changes.”

49. I believe that the potential of employees, their skills, knowledge and abilities are effectively used in the Organization

> “Onboarding for new people should be longer.”
